Re: Application by Citibank, N.A. to Make Through an Operating Subsidiary a
Minority, Noncontrolling Investment in Integrion Financial Network, L.L.C.
Number: 97-WO-08-0014

Dear Mr. Watiker:

This is in response to your operating subsidiary notice pursuant to 12 C.F.R. § 5.34 submitted on behalf of Citibank, N.A., (Charter Number 1461) (“Bank”) to engage in new activities in an existing operating subsidiary, Citibank Strategic Technology Inc. (“Operating Subsidiary”). The Operating Subsidiary proposes to invest in a joint venture arrangement (the “Joint Venture”) in a Delaware limited liability company, Integrion Financial Network, L.L.C. (the “LLC”), which provides home banking and other electronic financial services.

Previously, in my letter of December 4, 1996, the OCC approved conditionally the proposed formation of LLC.¹ Your letters of November 14, 1997, and December 16, 1997, state that the proposed investment by Operating Subsidiary conforms to the representations and descriptions contained in the Integrion Letter. You described in detail how the investment in LLC by Operating Subsidiary conforms to the four standards the OCC has established with respect to a national bank’s direct or indirect ownership of a non-controlling interest in a limited liability company. You also commit that the Operating Subsidiary will conduct its activities according to the OCC policies and guidance issued in

¹ See, e.g., OCC Conditional Approval Letter No. 221 (December 4, 1996) (“Integrion Letter”).

the Integrion Letter, as well as policies and guidance issued regarding these activities.² Operating Subsidiary will own approximately 5 percent of LLC.

The discussion in the Integrion Letter regarding the permissibility of non-controlling minority investments applies equally to Bank and its present proposal. On the basis of the representations specified in your notification letter and other submitted materials, the OCC finds that Operating Subsidiary may invest in the LLC and that the notification should be and is approved subject to the following conditions:

1. the LLC may engage only in activities that are part of, or incidental to, the business of banking;
2. the Bank will withdraw from the LLC in the event it engages in an activity that is inconsistent with condition # 1;
3. the Bank will account for the investment in the LLC under the equity or cost method of accounting; and
4. the LLC will be subject to OCC supervision, regulation, and examination.

Please be advised that all conditions of this approval are “conditions imposed in writing by the agency in connection with the granting of any application or other request” within the meaning of 12 U.S.C. § 1818.

If you have any questions regarding this decision, please contact John Graetz or Crystal Maddox in Bank Organization and Structure at (202) 874-5060.

Sincerely,

/s/

Julie L. Williams
Chief Counsel

² In approving Bank’s request, the OCC approves only the same activities as approved in the Integrion Letter and based upon the same representations, agreements, and commitments. By making this application and accepting this approval, Bank is deemed to have made the same representations, commitments and agreements as were made by the applicant banks in the initial Integrion application. In addition, Bank represents and undertakes that in connection with its proposed membership in Integrion, Bank will abide by the same conditions that the OCC imposed in the Integrion Letter on the original national bank members of Integrion and their operating subsidiaries with respect to their respective memberships in Integrion. Further, the Bank has represented that it will perform due diligence to assure that any products or services it uses from Integrion will be Year 2000 compliant in accord with OCC issuances.
