

In May of 2013, the OCC introduced a new format for the Weekly Bulletin. The [New Weekly Bulletin](#), available in PDF, incorporates the *Weekly Merger Public Comment Period Report*. Public comment period end dates for national bank mergers, consolidations, and purchase and assumptions will continue to be the latter of: 1) the newspaper publication comment period end date; 2) 30 days from the publication of the merger application in the Weekly Bulletin; or 3) 30 days from the date the merger application is posted to the Freedom Of Information Act (FOIA) Reading Room. Please see the [New Weekly Bulletin](#) for details.
